

# Download 2002 Crv Manual Transmission

These days, virtually all SUVs have an automatic transmission -- but, of course, that wasn't always the case. Just a few years ago, it was common to have base-model SUVs offer a manual transmission -- and that even applied to the Honda CR-V, which offered a stick shift for its first two generations of existence. I have a 2002 Honda CRV with a manual transmission. Lately the clutch has been harder to engage and when I start the car, I have to make sure that it is pushed all the way to the floor in order to start. I have never had the clutch adjusted on this car and was wondering if there is an adjustment to correct this. One problem related to manual transmission has been reported for the 2002 Honda CR-V.
