

Download A Comparative Outlook At Psychology Versus Scientology

Comparative religion is the branch of the study of religions concerned with the systematic comparison of the doctrines and practices of the world's religions. In general the comparative study of religion yields a deeper understanding of the fundamental philosophical concerns of religion such as ethics, metaphysics, and the nature and forms of salvation. Strictly speaking, psychology of religion consists of the application of psychological methods and interpretive frameworks to the diverse contents of religious traditions as well as to both religious and irreligious individuals. The extraordinary range of methods and frameworks can be helpfully summed up regarding the classic distinction between the natural-scientific and human-scientific ... CHAPTER XVII A WILD AND CRAZY WISDOM GUY (CHÖGYAM TRUNGPA)

CHÖGYAM TRUNGPA, BORN IN 1939, is the first of the “crazy wisdom” masters whose effect on North American spirituality we will be considering.. The night of my conception my mother had a very significant dream that a being had entered her body with a flash of light; that year flowers bloomed in the neighborhood although it was ...
