

Download Budget Template Manual Nc Dhhs

Introduction The Office of State Budget and Management (OSBM) prepares the Budget Manual for the State of North Carolina for use by state departments, agencies and institutions in the preparation and administration of their budgets. The Manual is a guide to state departments and agencies in discharging their duties under applicable laws and regulations. Local health departments work to improve the health of people and communities in North Carolina. Support resources that the division provides to health departments include generalized nursing consultation, administrative consultation, and accreditation. A source for the Alliance Provider Operations Manual and other important publications, documents and forms that will help providers thrive as part of the Alliance network. Click on the arrows – this will show/hide categories (orange text). Click on the text – will take you directly to the category or document (blue text).
