The emphasis of this educational reference is on words and phrases that appear in published works about war and military service; and amongst this jargon and slang, there is no pretense of objectivity or completeness, which may be readily found in official documents or government resources. Good evening Fullerton School District parents, this is Superintendent Bob Pletka. I am very pleased to announce that during the coming week, the District will be distributing over 6,000 iPads to all 5th through 8th grade students throughout our District as a part of our 1:1 VIP (Visual Innovation Program). Of those American vessels near the Argonne when first contact was made with the enemy, only the Washington was sufficiently massive to go out in a blast of yonder size and shape. If that was the case Captain Martin Diaz of the United States Astromilitary Corps was a dead man. The other ships of the line were too distant, traveling on vectors too unlike his own, for their scout boats to come ...
