View online or download Celestron NexStar 80GT User Manual, Instruction ManualAt the end of the summer of 2004, Celestron introduced a new NexStar GT model employing an 80mm f/11 refractor - the NexStar 80 GTL. The "L" after the GT indicates the longer optical tube when compared to the NexStar 80 GT. This model seems to be a limited offering rather than a new addition to the GT model line.
