Medical Assistant Certification (CCMA) Medical Assistants (CCMAs) are a vital part of clinical patient care. Because CCMAs are trained to perform so many different tasks, they are in great demand in the workforce. Point University Online offers an Associate of Science medical assistant degree program that is taught with a focus on Christian values. This is a fully online program so students have the flexibility to study at a time and place that suits them.

**INFORMATION ABOUT THE CCMA EXAMINATION** What is a California Certified Medical Assistant? A CCMA is one who has met qualifications established by the California Certifying Board. The SSC Medical Assistant (MAS) certificate program provides training for students seeking to assist in patient-care management including both administrative and clinical duties.
