## **Complete Conditioning For Sports Series**

The Official Website of LSU's Athletics Department located in Baton Rouge, La., and founded in 1893. The strength and conditioning coach is often viewed as the link between sports science and sports application in training by their colleagues. Conditioning for baseball should mimic the demands of the sport—quick bursts of acceleration and speed followed by long periods of rest. Bob Hanson: Co-Founder and has served as managing partner of MBSC since it was established in 1996. During that time Bob has grown MBSC into a world class strength and conditioning center, voted #1 gym in the country for past 3 years.
