

# Download Concrete Pavement Guide

The Interlocking Concrete Pavement Institute (ICPI), founded in 1993, is the North American trade association representing the interlocking concrete paving industry. StreetPave 12 is the latest in jointed plain concrete pavement thickness design. Newly added with this version is jointed plain concrete overlay designs for all six types (bonded on asphalt, unbonded on asphalt, bonded on concrete, unbonded on concrete, bonded on composite, unbonded on composite). Welcome to the "Concrete Pavement Resource Center", an American Concrete Pavement Association (ACPA) website designed to quickly connect qualified \* individuals with literature on concrete pavements..
