PACE Counselling offers individual, couples, pre-marital and family counselling, dialectical behavior therapy and in the moment coaching. When an individual or group of people shows their power through aggression on a weaker person, that is identified as bullying. It is a nasty way of showing power and control over the vulnerable person by using some mean tactics. School timetable as indicated before is the common and most popular type of timetable template. It provides a guide or a framework that enables proper running of the school.
