

# Download Culture And Mental Illness A Client Centered Approach

Great book, but needs to be updated. Another one that's extremely expensive. Although it needs updating, I thoroughly enjoyed reading it. I definitely recommend it to any social work student or anyone else who is interested in mental illness and a culture sensitive approach to working with culturally diverse client populations. Culture & mental illness: A client-centered approach. ... This book presents a client-centered model of assessment and diagnosis based on a holistic paradigm that integrates known biological ... CULTURE AND MENTAL ILLNESS. A Client-Centered Approach. Richard J. Castillo. University of Hawaii at West Oahu . PART ONE. INTRODUCTION AND THEORETICAL ISSUES . CHAPTER 1. WHY CULTURE? Mental disorders are easily described but not easily defined. Scientists have come to realize that a mental disorder consists of a highly complex construction of ... Author Richard Castillo, who studied under Arthur Kleinman of Harvard University, has developed a client-centered paradigm for mental illness based on recent biological, psychological, social, and cross-cultural studies. His book provides practical applications for clinicians and addresses recent theoretical changes and their implications for the assessment and diagnosis of mental illness.
