Communication Sciences and Disorders. College of Natural Sciences, Forestry, and Agriculture . The Communication Sciences and Disorders program at the University of Maine provides a general education in speech, language, and hearing sciences. Despite our best intentions, we've created a system of special education based on deficits. To fashion an environment in which students with special needs can achieve their fullest potential, we need to dig deep into the roots of special education and, at the bedrock level, replace its disability paradigm with a belief system based on diversity. ...
