The Silk Road was an ancient network of trade routes that connected the East and West. It was central to cultural interaction between the regions for many centuries. The Silk Road primarily refers to the terrestrial routes connecting East Asia and Southeast Asia with East Africa, West Asia and Southern Europe. The Silk Road derives its name from the lucrative trade in silk carried out along ... Instead, it is the Chinese who have become an increasingly powerful foreign player in Greece after years of assiduous courtship and checkbook diplomacy. A less scrutinized component of Belt and Road is the central role Pakistan plays in China's Beidou satellite navigation system. Pakistan is the only other country that has been granted access to ... The Marshall Mission (Chinese: 马歇尔使团; pinyin: Mǎxié'r Shǐhuá; 20 December 1945 – January 1947) was a failed diplomatic mission undertaken by United States Army General of the Army George C. Marshall to China in an attempt to negotiate the Communist Party of China and the Nationalists into a unified government.
