The third edition of the Goldman-Fristoe Test of Articulation offers updated norms, new digital test administration and scoring options. The new test will still be brief to administer and easy to score, while providing you with accurate scores you can count on for making diagnostic and placement decisions.

Phonology Tests Assessment Link between Phonology and Articulation (ALPHA) The Assessment Link between Phonology and Articulation (ALPHA) Test of Phonology is a delayed sentence imitation test that assesses a subject's phonetic inventory through a traditional sound-in position analysis, and a subject's deviant use of phonological processes through phonological analyses.
