

Download Honda Brio Manual Transmission

In Indonesia, the Brio was launched on 2 August 2012, and was initially built in and imported from Thailand. Honda has started the assembly of Brio in Indonesia since August 2013 to fulfill the local demand. Before the Indonesian LCGC program was launched, the Brio used a 1.3 L (79 cu in) L13Z i-VTEC engine instead of 1.2 L (73 cu in) L12B i-VTEC one. Honda Brio, powered with the 1.2L i-VTEC petrol engine delivers high power with great fuel economy. The spacious interiors & impressive specifications of Brio will surely make your drive pleasant. Honda Brio Price (GST Rates) in India starts at ₹ 4.82 Lakhs. Check out Honda Brio Colours, Review, Images and Brio Variants On Road Price at Carwale.com. The Honda Amaze (Japanese: ????????, Honda Ameizu) is a 4-door sedan produced by Honda. It is the sedan version of the Brio hatchback for the first generation model. It followed the same design and architecture with the Brio until 2018, where it goes on its own platform for the second generation model.
