Repairloader will be enhanced over time with more ideas and informations around your car, bike or tractor (like with a how-to infographic about building a convertible). We also just updated our infographic for car safety instructions - take a look! We also want to expand into a community option as soon as possible. A shop manual is a reference tool and as in all service manuals, the chapters are thumb tabbed for easy and fast navigation allowing you to find the exact service repair procedure's in the quickest time possible. Important items are indexed at the end of the book. All procedures, tables and figures are designed for the reader who may be working on the vehicle for the first time.
