Socializing Your Lakeland Terrier Socializing means training your Lakeland Terrier to get along politely with strangers and other animals. To help you train and care for your dog. Dog training videos. Sometimes it's easier to train your puppy (or adult dog) when you can see the correct training techniques in action. The Lakeland Terrier has a double coat that's harsh and wiry on the outside and soft and warm underneath. It often has a wave to it. Show specimens are generally stripped on the body, leaving the fur longer over the eyes and on the muzzle. The legs are trimmed to look neat and cylindrical. At home, pets are often clipped to keep them more manageable. How to Raise and Train a Lakeland Terrier [Seymour N. Weiss] on Amazon.com. \*FREE\* shipping on qualifying offers.
