

Download Keystone Writing Prompts

Pennsylvania Keystone Exam in Literature. The Literature exam is administered in two modules, one fiction and one informational. Each Module includes items that require students to read a passage and select the best answer from four possible answer options. The correct answer for each multiple choice questions is worth one point. What writing instruction is needed to help students write their thesis statements, organize their notes, embed quotes, and cite evidence? How will students receive feedback at various stages of the writing process to make sure they are answering the prompt, their papers are focused, their ideas are fully developed with details, examples, etc.?
