Hydro Systems Repair Parts Diagrams from Dultmeier Sales. Also view our online catalog for all our Hydro Systems products! Designed for small-scale landscape and irrigation jobs, the Ditch Witch SK600 mini skid steer has a narrow frame for better maneuverability in tight, compact spaces. Hydrolastic is a type of space-efficient automotive suspension system used in many cars produced by British Motor Corporation (BMC) and its successor companies.. Invented by famous British rubber engineer Alex Moulton, and first used on the 1962 BMC project ADO16 under designer Alec Issigonis (of Mini fame), later to be launched as the Morris 1100.
