

Download Nurse Practitioners Business Practice Legal Guide 2nd Edition

Sessions & Tacks. Track-1: Nurse Practitioner Nurse Practitioners are Registered Nurses who serve as primary and specialty health care providers under a physician. They can specialize in family practice, pediatrics, women's health, mental health and more. Most Nurse Practitioners work alongside doctors in a hospital or outpatient facility, but some run their own private practices. The Nurse Practitioner's Business Practice and Legal Guide. 6th edition, 2017. Jones & Bartlett Publishers. [Click Here to Order](#) . The Primary Care Provider's Guide to Compensation and Quality: How to get paid and not get sued. 2nd edition, 2005. Jones & Bartlett Publishers. A holistic approach to healthcare is based on the belief that the treatment of medical conditions needs to address not only a patient's physical symptoms but also the mental, emotional, spiritual, and social factors affecting a patient's health. Nursing is a profession within the health care sector focused on the care of individuals, families, and communities so they may attain, maintain, or recover optimal health and quality of life. Nurses may be differentiated from other health care providers by their approach to patient care, training, and scope of practice. Nurses practice in many specialties with differing levels of prescription ...
