

Download Pesticide Turf Test Study Guide For Iowa

AMES, Iowa – An updated version of the Iowa Commercial Pesticide Applicator Manual for Ornamental and Turfgrass Pest Management Category 3 OT is available from Iowa State University Extension and Outreach.. The manual is intended to be used by people preparing to take pesticide certification exams (3T, 3OT, or 3O). To obtain initial certification as a commercial pesticide applicator, a person must pass both the closed-book exam over the Iowa Core Manual IC 445, and an exam specific to the categories for which he or she needs to be certified to do the job. The commercial categories are listed on the categories tab. This manual has been developed for individuals who want to become certified in the commercial and public pesticide applicator Category 3 – Ornamental and Turfgrass Pest Management. This category manual supplements information in the Iowa Core Manual, CS 0445, and should not be used for certification preparation without referring to that manual. ORNAMENTAL AND TURF PLANT PEST AND WEED CONTROL Practice Questions

INSTRUCTIONS: Have a highlighter and a colored pen handy. As you study through the text, look for ... you answer “YES” that information would also be a good question for the test. Make a note of it. In
