

# Download Princeton Tec Remix Headlamp Manual

To file a warranty claim for your Princeton Tec product, call (1-800-257-9080) or email (warranty@princetontec.com) our Customer Service team for assistance. If we determine that your light needs to be sent back to us for repairs or replacement, we will give you a Return Merchandise Authorization (RMA) number. After continually testing headlamps since 2013, we still think the Black Diamond Spot is the best headlamp for most people. Nothing this affordable can burn brighter or longer—very important features if you plan on taking your headlamp into the outdoors—and it emits red and white light, the two essential colors for campers and hikers.
