

Download Soul Looks Back In Wonder

Jyaa Pyaar Soul Love. Your inner knowing will guide you. Go within. Your soul knows...Love is the answer.I've recently put Bill Withers's "Stories" back in heavy rotation (Heat Rocks related) and have been chasing covers of it. Joey Dosik does one on his album from last year (and I love that he sings it acapella to open his gigs) but I also came across this random cover on Youtube by Emily Watkins who I think does a great job with the tune. Warner Bros. has plenty to celebrate when it comes to the studio's slate of superhero features, from the box office-busting success of "Aquaman" to the highly anticipated opening of this ...Yeah, making Jade from Mortal Kombat and giving her the moveset of the hungry monkeyboy with a Kilik/Seong Mi-na hybrid moveset was one of my better decisions while playing Soul Calibur 5 (create-a-character replacements for annoying characters ftw).
