

Download Summer Math Projects For Fifth Graders

Fifth Grade Summer Activities. Learning doesn't stop when school is out! If your child is saying "I'm bored" like a broken record, try beating the heat and mastering new skills with these indoor and outdoor summer activities for kids. The following list of math project ideas are perfect for keeping your students engaged during the final weeks of the school year (or at any other time as well). These activities can be adapted to all grade and ability levels and are included in my 21 Time-Saving Strategies, Activities, and Ideas All Math Teachers Should Know. Summer is a great time to teach kids all sorts of math concepts using hands-on summer math activities. You can give students practice in graphing by showing them how to graph daily temperatures. Although they can take the temperature data from a weather website or a newspaper, they can also use their own thermometers to monitor the temperature ...19 Summer Math Packet 2013 For Students Entering Grade 5 47.) The table shows the favorite book types of fourth and fifth graders.

TYPE OF BOOK	FOURTH GRADERS	FIFTH GRADERS
