Teen Sex and The Law (Postmodern Library Series, Volume 2) [Postmodern Library] on Amazon.com. *FREE* shipping on qualifying offers. Rainbow Parties. Teacher-student sex. Internet predators. Group sex in the school auditorium. Hooking up. These are the realities of teen sex in the 21st century Teen Legal Rights: A Guide for the '90s Hempelman 2000. This was a fantastic book for public libraries at the turn of the millennium. The subject coverage is appropriate and it could be a really useful book. This book is no different. A quick search says that Stern made a career of writing these kinds of books. I actually get a kick out of these old books, mostly for interesting cover art and the sensational headlines and book blurbs. Evidently this teen mayhem was ubiquitous during the 50s.
