

Download The Coming Technology Tsunami A Personal History Of The Future

What he hasn't yet addressed — but should — is the looming technology tsunami that will hit the U.S. job market over the next five to 15 years and likely destroy tens of millions of jobs due ...Get the latest science news and technology news, read tech reviews and more at ABC News. Although he's covered political campaigns, writing about the inner workings of government was a first for Mr. Lewis...he approached it the same way he's infiltrated other seemingly impenetrable institutions. Irreverent, unapologetically arrogant and uncensored, IT Professional Services industry veteran Jason Perlow muses on a cornucopia of topics on all matters of Information Technology.
