Interdisciplinary Applied Mathematics

Link to Departments website. The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls. The FAU Max Planck Honors Program (MPHP) Eligible College of Science majors in Biology, Psychology, and Neuroscience and Behavior may apply to participate in this Jupiter-specific honors program for undergraduates. Professor, 1992-2017 B.S., Mathematics and Physics from Carson-Newman College, 1969 Dr. Harris' doctoral dissertation and disciplinary research involved local function theory and geometry on submanifolds of complex Euclidean n -space. A mathematics degree from Harvey Mudd College prepares students for a variety of careers in business, industry or academics. Mathematical methods are increasingly employed in fields as diverse as finance, biomedical research, management science, the computer industry and most technical and scientific disciplines. To support the academic and professional goals of our majors, we offer [...]
