Dear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state. The American frontier comprises the geography, history, folklore, and cultural expression of life in the forward wave of American expansion that began with English colonial settlements in the early 17th century and ended with the admission of the last mainland territories as states in 1912. A "frontier" is a zone of contact at the edge of a line of settlement. The history of Poles in the United States dates to the American Colonial era. Poles have lived in present-day United States territories for over 400 years—since 1608. There are 10 million Americans of Polish descent in the U.S. today, making it the largest diaspora of Poles in the world. Polish Americans have always been the largest group of Slavic origin in the United States. Raabe, Heinrich August, 1759-1841 ¶.
