Powell's Blog Original Essays Mainstream Settler Society Needs a Land- and Place-Based Ethic by Dina Gilio-Whitaker For many years now I have been studying, writing, and thinking about what environmental justice means for Indigenous peoples. In my most recent book, *As Long as Grass Grows: The Indigenous Fight for Environmental Justice From Colonization to Standing Rock*, I take on the topic...Christian Saint, Pagan Priest The Untold Story of Templars, Masons, and the Catholic Church. A Biography of St. Stephen Harding. Version December 28, 2018. Anthropomorphism is the attribution of human traits, emotions, or intentions to non-human entities. It is considered to be an innate tendency of human psychology.. Personification is the related attribution of human form and characteristics to abstract concepts such as nations, emotions, and natural forces, such as seasons and weather.. Both have ancient roots as storytelling and artistic ...Redated from March 2009. I was a Christian recently enough to remember what it felt like to really believe the Creator of the universe talked to me, to really believe I would go to heaven and unbelievers would go to hell, to really believe that prayer made a difference.. It sure felt like I really believed that stuff. And other Christians tell me they really believe that stuff, too.
