I took the exam yesterday and passed. I'd say a fair 25%-33% of the questions were straight from previous tests that I had seen while taking the PRG ExamWare tests.Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.More Than 500 Study Guides and Counting . Your source for help with Shakespeare and English literature, plus history, math, biology, and more.
